South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Our school is helping all students develop the world-class skills and the life and career characteristics of the Graduate Profile by exhibiting excellence in education through the use of technology and project-based learning. Our teachers, along with our partners in education, are preparing our students with the combination of technology and project based learning to become critical thinkers and problem solvers. Our students are afforded the opportunity to study foreign language, attend college tours and complete community service projects. Through leadership, mentoring and character education, all students are learning to operate with integrity and develop a work ethic, which contributes to lifelong learning, and enhance career choices. Our students are engaged in life-skills course-work, which also enables them to learn interpersonal and social skills to assist them with communication and working cooperatively with persons of all races, cultures and from various economic backgrounds.
